

BECOME AN APPRENTICE

1 DO YOUR RESEARCH

Look up information about different occupations and programs to find one that's right for you.

Visit oregonapprenticeship.org

2 CHOOSE A PROGRAM

Decide on an occupation and locate the program. Call or email them to learn next steps.

3 APPLY

Fill out the application, interview, and take any tests the program requires.

4 CONGRATULATIONS!

You're on your way to becoming an apprentice.

★ CHECK YOUR EXPERIENCE

Make sure you have documentation to prove you meet requirements. See the column below left for assistance.

REGISTERED

APPRENTICE

WHAT DOES IT TAKE TO BE AN APPRENTICE?

Every apprenticeship program is different. Most programs look for:

Good attitude & work ethic

High school diploma or GED

Proof of age

Relevant skills & meeting math requirements

Reliable transportation

Explore [Application Guidelines](#) on our website to learn how to build a competitive application.

GET HELP

Not sure you're ready? Locate a [Pre-Apprenticeship Program](#) or contact a local [WorkSource Center](#) for other training options.

Complete required training, build credentials and experience.
